John Gregg Elementary-Computers

3 Week Closure

It is important for students to continue practicing the skills we are working on in the classroom. To help with that, have your student follow the suggested activities. Please have your student complete the suggested activities each week we are closed.

Kindergarten-2nd Grade

- Lexia- 20 minutes
- Then, select a Reading or Math activity on Abc Ya (www.abcya.com) to practice current skills working on in the classroom for an additional 20 minutes.

3rd Grade

- Lexia-20 minutes
- Continue practice typing skills by going to Free Typing Game.Net (https://www.freetypinggame.net/Default.asp). Students need to click on the Lessons tab and review any lesson 1-13. Practice typing for 20 minutes.
- Also, students can get on Abc Ya to practice Reading and Math skills.

4th Grade

- Lexia-20 minutes
- Continue practice typing skills by going to Typing.com (https://www.typing.com/). Once there, students will log onto their account and continue working through their lessons.
- Also, students can get on Abc Ya to practice Reading and Math skills.

5th-6th Grade

- Continue practice typing skills by going to Typing.com (https://www.typing.com/). Once there, students will log onto their account and continue working through their lessons.
- Also, students can get on Abc Ya to practice Reading and Math skills.
