5th Grade Math

*Go to Pearson Realize in the Clever app to access assignments.

*Assignments will be in your "to-do lists" on Pearson Realize. They will be a Practice Buddy "Independent Practice" for each topic.

*Complete the assignments online.

*If your child cannot access the online assignments, he/she will need to review skills. All students should have Volume 1 and 2 math books at home. (Students were told to keep Volume 1 at home.) Follow the lessons below to review if your child does not have internet.

Review lessons:

Lessons 1-4, 3-5, 4-9, 5-7, 6-8, 7-11, 8-7, 9-6, 10-3, 11-1, and 13-1.

Students can review by practicing problems.

Mrs. Call
At-Home Assignments
Week 1

Day 1: Go to Clever to find the link for your ConnectEd reading account. Sign in (username and password is saved in Clever.) Under "To Do", there is an assignment to listen to or read a story called "One Well".

Day 2: Go to Clever to find the link to Google Classroom. Do the Quizizz assignment for Point of View.

Day 3: Reread or listen to the story "One Well" on your ConnectEd reading account.

Day 4: Do the Context Clues Rags to Riches game on Google Classroom. Repeat until you get to the million dollar level.

Day 5: Do the Context Clues Quizizz game on Google Classroom.

5th or 6th Grade Science

- I have emailed you several links to different activities that will help you review several different science skills.

- The only other thing that I am asking you to do is take time to be outside. You need to explore your environment. I would love to see pictures of everyday things that demonstrate some of our science lessons this school year. (5th grade example: pictures of decomposers, constellations, reflection, refraction, etc.) (6th grade examples: pictures of various rocks or mineral characteristics, soil layers, soil types, material that is in different states of matter, etc.)

- You can also practice your measurement skills by helping out in the kitchen or in the garage. You can also share those pictures with me if you'd like.

Enjoy this time off but make sure to be productive and stay healthy!
