

March Choir Assignments 3/16/2020

Mrs. Carroll

You should continue to practice your choir music in preparation for Spring performances. The musical scores are attached, as well as playlists for you to listen to and study. You should submit your assignments to Mrs. Carroll each week by Wednesday at 2:50 PM (3/18, 3/25, 4/1). You can choose 1 of three ways to submit your efforts to Mrs. Carroll and May do a combination if you prefer.

Practice and study your music at least 5 days a week and document your progress by either

- 1. Keep a daily practice journal in writing that logs your warm ups, stretches, specific things you worked on, improvements and challenges and share it with Mrs. Carroll.**
- 2. Write your part's musical line out in Flat and share with Mrs. Carroll.**
- 3. Sing your part, record on your device and share with Mrs. Carroll. You may sing along with the recording of the song on the playlist when you record your voice.**

Everyone should analyze at least 2 of the recordings on the playlist for your class and write up an assessment of their performance. The due date for this is Monday, March 23rd
