Reading Instructions

*It will be very important for your child to practice reading during our 3 week closure.

Use the literature anthology book for these activities and the fluency binder to practice past reading / phonics skills. We may post additional pages you can download to read on class dojo.

All fluency pages will be available for download too.

Children may access and play LEXIA through the CLEVER portal.

Math Instructions

*Complete one worksheet page a day

*If you have addition and subtraction flash cards, practice those.

*Through the CLEVER portal, do Splash Math games

Grammar Instructions

*Complete one page per day

*It is important to let your child read the sentences on the pages on their own / out loud to you then find the skill asked

*For sentence writing, please have your child make up sentences on their own and use the word properly in the written sentence. Sentences need to begin with a capital letter, end with punctuation, have spacing between words and sight words need to be spelled correctly. Words with spelling patterns they have been taught should also be spelled correctly.
