

Civics/Geography – Baker

PLEASE READ THIS ENTIRE EMAIL.

This schedule will be for the weeks of March 16-20, March 23-27 and March 30-April 3.

Here is your schedule of assignments to follow until we return to school. You know how to complete the work and the quality of work that I expect in class, and these assignments are no different. Each day will have a different assignment but you will have your choice of topics.

I have attached the Microsoft word doc versions of the assignments for you to review. YOU DO NOT NEED TO USE THESE DOCS, but please try to submit your work as close to the format as possible.

You have the option to submit the work on paper when we return to school, OR through a google doc that you share with me at paul.baker@edisonwildcats.org.

I will check my email and answer questions ABOUT THE ASSIGNMENTS several times a day, and I promise I will try to reply within 6 hours.

Finally, I have no idea how long we will be out of school. Honestly, I will find out the same time you find out. Please don't ask me.

You will complete 2 Projects. The first will focus on the State of Ohio and it is due March 24. The second will be your choice of a state (NOT OHIO) and it is due April 3. Answer all topics on the form.
