	Academic Needs	Social Emotional Needs	Professional Learning Needs
Impacted Students	The district is preparing as though ALL students were affected academically by the pandemic, with a focus on our minority, disabled, and disadvantage students.	The district is preparing as though ALL students were affected socially and emotionally by the pandemic, with a focus on our minority, disabled, and disadvantage students.	The district is preparing as though ALL students have been affected by the pandemic and that instructional approaches and social emotional education will need to be refined to meet the needs of ALL students
Assessment of Needs	Academic Needs of students have been and will continue to be measured through diagnostic assessments, Star Reading and Math, as well as, classroom measures.	Social Emotional Needs of students have been assessed by student and parent surveys, along with informal observations by our school counselors.	Professional Learning Needs have been assessed through staff feedback, a district climate survey, and the completion of the One Needs Assessment.

Extended Learning Plan

Approaches			
Summer 2021	Students in grades 3 through 12 will be offered credit recovery through a combination of online learning and face to face support. The focus will be on reading and math. Students in grade K through 2 will be offered structured language and reading comprehension instruction. This will be offered 3 days a week for 6 weeks. Transportation and lunch will be provided.	Students in grades 1 through 6 will be given the opportunity to participated in “Little CAT Day Camp” (Community, Activity, Togetherness) a three-day camp that focuses on social emotion learning through outdoor physical activities. Special populations will be given preference in scheduling. Transportation and lunch will be provided.	District Leadership Teams and Building Level Teams will meet over the summer to begin to plan for needed professional learning supports that are need for the 2021-2022 school year. The teams will review district, school and trends data to determine need of focus
Resources and Budget Summer 21	General Funds and ESSER Funds Estimate: \$40,000	General Funds and ESSER Funds Estimate: \$40,000	General Funds and ESSER Funds Estimate: \$50,000
2021-2022	It is expected to have a range of learning needs in classrooms. All students will be taught grade level standards, learning progressions will be used to adjust independent work to the students’ need level of rigor based on formal and informal assessments. Summer learning will be based on student need and the success of the Summer 2021 Program.	Social emotional learning will be incorporated into instruction and into classroom practices. PBIS will be used to teach, support and model expected behaviors. The district will work to create a positive learning environment that is conducive to learning. “Little CAT Day Camp” will be evaluated for effectiveness and considered for Summer 2022.	The district will have five professional learning days during the school year to support the district identified need, reinforce the use of learning progressions, differentiation, collaboration and social emotional learning to meet the needs of all learners.
2022-2023	Plans for the 2022-2023 will be developed based on the assessed needs of our students. The district will continue to meet the range of student needs.	Plans for the 2022-2023 will be developed based on the assessed needs of our students. The district will continue to build positive school culture to promote learning.	Plans for the 2022-2023 will be developed based on the assessed district need through the use of our collaborative teams (District Leadership, Building Level Teams, and Teacher Based Teams)
