Dear Kodi Peterson,

On behalf of the Ohio Department of Education and Workforce, I'm pleased to congratulate Stanton Elementary School for earning the Momentum Award for your results on the 2023-2024 Ohio School Report Cards. This award recognizes schools and districts that improved their Performance Index by 3 or more points from the previous year, while also achieving a Value-Added rating of 4 or more stars.

The Momentum Award is a testament to your commitment to excellence for your students and the community. This notable accomplishment celebrates those who consistently give their all to creating a supportive learning environment that fosters growth, collaboration, and success. I applaud your team's dedication to advancing academic achievement and personal development, which will have a lasting impact on your students for many years.

Once again, congratulations on this well-deserved recognition. It is my hope that the Momentum Award will serve as a source of pride for your community and will continue to inspire success in the years ahead.
